

Alma Named 'Best Family Resort in Vietnam' by Holidays With Kids Magazine

CAM RANH, Vietnam (July 10, 2023) — Alma Resort, a 30-hectare oceanfront property on the Cam Ranh peninsula in southern Vietnam, was named the No. 1 family resort in Vietnam by the influential Australian-based *Holidays with Kids* magazine.

The resort's 12 "beautiful" swimming pools drew high praise in the editors' review, which notes how the pools "cascade down to the beach" where a variety of exciting water sports are on offer.

"Families can enjoy the splash water park with its exhilarating slides, wave pool and lazy river," the review continues. "There's also a fantastic kids' club and a youth club for teens with an abundance of activities to keep guests entertained."

The Holidays with Kids Readers' Choice Awards showcase the "best of the best" of family-friendly hotels and resorts in Australia and around the world. For a second-straight year, Alma won the top spot in the magazine's ranking of Vietnam's 10 best family resorts.

Alma's managing director Herbert Laubichler-Pichler said the resort's location overlooking the 15-kilometre-long Long Beach "couldn't be better for family travelers."

"Alma is truly one-of-a-kind with its unprecedented array of family facilities ranging from our 6,000 sqm water park with a lazy river, water slides, wave pool and kid's pool, to our science museum, cinema, youth club, kids club, 18-hole putting green, sustainable farm and more. We offer all our guests the ultimate beach holiday," he said.

Alma was also recognized earlier this year as the leading luxury beachfront resort in Vietnam by the Luxury Lifestyle Awards.
