The resort's recreational offerings will keep all ages active and entertained, with yoga, mini-golf, water sports, kite flying and more. About [The Anam Group](#)

THE ANAM

After the auspicious debut of The Anam Cam Ranh in 2017, the independently owned and operated The Anam Group celebrated the grand opening of its second property, The Anam Mui Ne, in January 2023, and multipurpose convention centre Axi Plaza in Cam Ranh in April, 2024.

With “Indochine Charm” and “Modern Luxury” as its watchwords, the group blends colonial-era aesthetics and attentive Vietnamese service with modern comforts and convenience. “The Anam” today is a reference to another name, “An Nam”, which was the name of Central Vietnam during the French Indochina era.

The Anam Cam Ranh overlooks 300 metres of beachfront on Vietnam’s scenic Cam Ranh peninsula, which averages more than 300 sunny days per year. The luxurious five-star resort boasts 77 villas and 136 rooms and suites. The Anam Cam Ranh features a French-inspired fine dining restaurant, all-day dining restaurant, a Vietnamese restaurant and bar, a classical bar, a beach club, in-room dining, a 10 treatment-room spa, indoor and outdoor movie theatres, three capacious swimming pools, ballroom, conference rooms, recreation and fitness centre, a tennis court, yoga room and deck, kids club, putting green, onsite sustainable farm, gift shop and more.

Like its predecessor The Anam Cam Ranh, The Anam Mui Ne’s design is also an echo out of Vietnam’s Indochine era. Situated in southern Vietnam’s popular beach town Mui Ne, the 1.2 hectare beachfront resort affords spectacular ocean vistas and features 127 elegant rooms and suites, including seven 142sqm suites with private pools and a 122sqm presidential suite with an extra room for the bodyguards. Its dining landscape comprises an all-day dining restaurant and grill, beachside restaurant and bar, and lobby bar. A five-treatment room spa, two vast swimming pools, a ballroom, conference rooms, water sports center, fitness center, yoga room, kid’s club and gift shop are among the resort’s host of world-class facilities.

With a design inspired by Vietnam’s iconic basket boat, Axi Plaza is a game changer for Cam Ranh and MICE offerings on Vietnam’s coastline due to its distinctive architecture and design, and spectacular beachfront location. Adjacent to The Anam Cam Ranh, Axi Plaza offers a vast state-of-the-art conference hall, a 360-degree rooftop venue, stunning outdoor beachfront event space, about 10,000sqm dedicated to shopping and dining outlets, and more.
