

Villa Cosy Hotel & Spa joins the “Vignobles & Découvertes” label and highlights its wine tourism commitment in Saint-Tropez.

Villa Cosy Hotel & Spa is proud to announce its official inclusion in the prestigious national “Vignobles & Découvertes” label, awarded by Atout France.

This recognition highlights the establishment’s commitment to authentic, sustainable, and refined wine tourism in the heart of the legendary village of Saint-Tropez.

An organic wine, the signature of the estate.

Nestled in a secluded 3,200 m² vineyard, Villa Cosy produces its own organic red wine on-site—an elegant blend of Grenache (80%) and Syrah (20%), vintage 2021.

The wine captivates with its deep color, ripe red fruit aromas, spicy and floral notes, and a velvety, beautifully balanced palate.

Available in 75cl bottles and 150cl magnums, it perfectly embodies the spirit of the estate: refinement, discretion, and local excellence.

A Complete Wine Tourism Experience

By joining the Vignobles & Découvertes label, Villa Cosy Hotel & Spa becomes part of a national initiative promoting tourism centered around wine—combining charming accommodation, local gastronomy, vineyard tours, and encounters with passionate professionals.

Guests of Villa Cosy can enjoy:

- an immersion in the vineyards of Saint-Tropez,
